

Ecologically friendly cleaning

Canvas cleaner - Cleaner for all kinds of canvas.

The ultimate in biodegradability, made from natural renewable raw materials.

Areas of Application:

- Caravan canvas cleaning
- Tents.
- Tarpaulins.
- Any type of canvas

BIOTENSIDON'S Canvas cleaner is ideal for cleaning all kinds of canvas or canvas related products. It can remove grease and grime without influencing the structure of the surface.

The disposal of Canvas cleaner falls under the general waste regulations and no additional requirements is necessary.

Application:

Shake well before use!

Spray BIOTENSIDON'S Canvas cleaner onto the contaminated area, (leave it on for 5 to 20 minutes depending on the temperature and degree of contamination, do not let it dry. If necessary, manually clean off with brush or cloth then rinse with clean water. The use of warm water will increase the cleaning effect and shorten the exposure time. It can also be used with a high-pressure washer.

Instructions for Use:

Due to the large number of possible influences and variances during the cleaning process and differing application, trial processing should be carried out constantly by the user.

No dilution required, use as per application instructions.

Biodegradation starts as soon as water is added.

Precautions:

Keep BIOTENSIDON'S Canvas cleaner out of reach of children and uninformed persons.

Avoid contact with eyes, in case of contact with eyes, rinse out with clean water immediately.

If swallowed, seek medical assistance.

Store above 1°C.
