

Car & rim cleaner

Biotensidon Car Cleaner is the ultimate, 100% ecological solution for cleaning the entire car, especially stubborn deposits on the rims and undercarriage.

It easily and gently removes stubborn dirt such as oils, Grease and brake deposits without attacking the surfaces and materials.

Biotensidon car and rim cleaner also cleans the engine and the engine compartment removing oils and grease.

Brake dust, abrasion and Road dirt causes stubborn dirt on the rims and undercarriage, the elimination of which requires very special means.

Most gentle cleaners are not sufficient, and the use of aggressive chemicals that severely damage the environment and due to their aggressive mode of action, damages surfaces and are hazardous to humans.

With the Car and rim cleaner from Biotensidon, No damage to the vehicle and environment is possible!!!!
