

Ecologically friendly cleaning

Multi-Purpose cleaner

The ultimate in biodegradability, made from natural renewable raw materials.

Areas of Application:

- Household
- Industrial light cleaning
- Schools
- Lodges

BIOTENSIDON'S Multi-Purpose cleaner is ideal for cleaning all kinds of surfaces, whether it be the floor at your office or at your house. General purpose cleaning for industrial sites, workshops and factories. The disposal of BIOTENSIDON'S multi-Purpose cleaner falls under the general waste regulations and no additional requirements is necessary.

Application:

Shake well before use!

Spray BIOTENSIDON'S multi-Purpose cleaner onto the surface area to be cleaned, wipe with a wet cloth. For cleaning floors, a dilution ratio of 1;10 can be mixed in a bucket and the floor mopped. The use of warm water will increase the cleaning effect and shorten the exposure time. It can also be used with a high-pressure washer.

Instructions for Use:

Due to the large number of possible influences and variances during the cleaning process and differing application, trial processing should be carried out constantly by the user.

Dilution required, use as per application instructions.

Biodegradation starts as soon as water is added.

Precautions:

Keep BIOTENSIDON'S multi-purpose cleaner out of reach of children and uninformed persons.

Avoid contact with eyes, in case of contact with eyes, rinse out with clean water immediately.

Store above 1°C.
